No Learn to Play on Mon/Wed/Fri/Sun. Your coach will advise of tournament or travel changes.

CHOOSE AT LEAST 2 SESSIONS EACH WEEK

Sign up for at least two sessions per week. Keep those same weekly days and times until your child graduates to 6U/8U.

Attendance minimum: Players attending fewer than six program sessions per month will move to a scheduled public skate session. Canceled sessions and partial months will be taken into account. Please speak with your coach about illness, injury or family circumstances so we can agree on a plan.

1 First skate - we bring the gear

We fit your skater with loaner skates, a helmet and gloves for the intro session. Loaner gear stays at the rink.

2 The coach checks three skills

✓ Gets up and skates forward independently.
✓ Turns and slows or stops with control.
✓ Follows instructions and joins drills safely.
Ready: All three skills + coach's OK: age-eligible 6U/8U. **Still learning:** Continue Learn to Play; check each skate. No set waiting period.

3 The jersey moment

Your skater earns an Extreme jersey, a bag sticker and a team cheer. Photos only with your permission.

4 Full gear fitting + team handoff

We fit full gear and teach dressing and care. Sign a gear form and leave a **$50 refundable deposit** (receipt provided). Receive practice details and your coach's contact.

OUR EQUIPMENT PROMISE

One $50 deposit covers it all

KEEP
Free to use for as long as your skater plays. Colorado Extreme owns the loaner gear.

SWAP
Outgrown it or normal breakage? Swap it free. Same deposit, nothing new to pay.

RETURN
Bring back all loaner items and get your $50 back. Normal wear is OK.

USA Hockey membership renews each season; its fee is separate from the equipment deposit. Insurance coverage depends on USA Hockey-sanctioned activities and applicable policy terms.
